* While this is initially approved as an alternate CAF-13/14 position (both of which are not to be filled concurrently) it is believed that a Grade 13 should be quite adequate in view of the general support to be given by the CIA Budget Officer.

(5) The eight service and budget support positions approved for your office under (4) above should be incorporated either directly into the office of the Executive for Administration and Training or grouped into one separate branch titled "Budget and Services Branch". For immediate needs the second alternate has been used in preparing your formal T/O, which is attached.
